FREE DELIVERY	<b>ALWAYS!</b>	Check "Shipping & Handling" details
LARGE ITEM DELIVERY	<b>TO YOUR BACKYARD</b>	Curbside - you move it yourself
WARRANTY	<b>WE WARRANTY EVERYTHING THAT WE SELL</b> (In many cases, we are a manufacturer's service center)	Call manufacturer for warranty information (and some manufacturers don't honor warranties for online purchases)
INSTALLATION	<b>WE OFFER INSTALLATION ON EVERYTHING WE SELL</b>	The internet suggests you find an installer, who will likely charge a higher rate for online purchases
HAYWARD PUMPS/FILTERS AND HEATER WARRANTIES	<b>3 YEARS*</b>	<b>1 YEAR</b>
BUYING LOCALLY	<b>FOR EVERY \$100 SPENT LOCALLY, \$68 GOES BACK TO YOUR COMMUNITY THROUGH TAXES, PAYROLL AND LOCAL SERVICES</b>	You're supporting someone else's community, state and businesses.
KNOWLEDGABLE STAFF	<b>YES - AVAILABLE IN OUR STORES</b>	<b>NO - call center usually works off of a script</b>
IN-STORE SERVICE	<b>YES - BY CERTIFIED STAFF</b>	<b>NO - store not available</b>
ORDER 24 HOURS A DAY	<b><a href="http://www.hometownpools.com">www.hometownpools.com</a> <a href="mailto:info@hometownpools.com">info@hometownpools.com</a></b>	<b>YES</b>

You will find we are competitive and we offer something the internet does not.. your neighbors. We employ local residents who pay local taxes, mortgages and shop at other local retailers, thus helping our local economy in these challenging times.

Many of our staff have been with us for more than five years and those of you who shop in our stores recognize the same faces year after year. That kind of reliability is what has allowed us to serve thousands of New Jersey customers since 1991.

Welcome to the Big Green Egg, the Original American Designed Ceramic Cooker. Derived from an ancient clay cooker called a "kamado," the modern Big Green Egg has undergone many improvements since it was introduced in 1974. Especially significant is replacement of the clay used in early models with durable space-age ceramics developed specifically for Big Green Egg to make the EGG® virtually indestructible under ordinary cooking conditions.
